UNISEX OCP COAT

Army Combat Uniform

- Scorpion Operational Camouflage Pattern (OCP)
- Army & Air Force Approved
- GL/PD 14-04A compliant
- Fabric: Untreated 50% nylon / 50% cotton ripstop
- Fade and shrink resistant
- Wind resistant
- Traditional fold-down collar
- Reinforced elbows
- Two-channel pen pocket
- Room upper-sleeve pockets with zipper closure.
- Zippered with hook and loop front closure for a smooth uniform appearance with rank tab loop on center placket.
- Longer loop faced shoulder pockets for patches and skill tabs with front zipper closure and glint tape above pocket.
- Two slanted chest pockets with hook and loop closure.
- Loop fasteners for name and rank patches.
- Button cuff closure with 3-button hole positions.

Engineered to meet strict military standards, the OCP Uniform Coat is built for battle. Adopted by both the U.S. Army and Air Force, this uniform was developed through extensive feedback from post-combat surveys. A traditional fold-down collar promotes a professional appearance, while the rest of the garment is packed with technical features. Substantial upper-sleeve pockets with covert zipper closures provide plenty of storage and room for patch placement. Durable stitching and reinforced elbows ensure durability despite demanding environments. The nylon-cotton ripstop fabric boasts the official Operational Camouflage Pattern (OCP), providing maximum concealment and protection in any environment.

OCP IFR FEMALE TROUSERS

Inherently Fire Retardant

- Scorpion Operational Camouflage Pattern (OCP)
- Army & Air Force Approved
- Made with a modacrylic/cotton/aramid/nylon blend
- Redesigned waistband removes the drawstring and includes a traditional button fly.
- Seven sturdy belt loops
- Two extra deep front slash pockets with reinforced openings.
- Two easy access slanted cargo pockets with drain holes and button closure.
- Two one-button closure lower leg pockets.
- Reinforced knees
- Two rear inserted pockets with snag proof pocket flaps.
- *Stay tied* heavy drawstring leg ties.

OCP Uniform Pants are built to withstand the wear-and-tear of combat while also promoting a neat, professional appearance. Adopted by both the U.S. Army and Air Force, this uniform was developed through extensive feedback from post-combat surveys. With 8 pockets, including two cargo pockets and two lower-leg pockets, these trousers provide the storage you need in an operational setting. Military-grade stitching and reinforced knees mean you can drag these through hell and back without sacrificing the integrity of the garment. Plus the durable modacrylic-cotton-aramid-nylon ripstop fabric boasts the official Operational Camouflage Pattern (OCP), providing maximum concealment and protection in any environment.

Redesigned waistband includes a traditional button fly.

Stay tied heavy drawstring leg ties.

IFR FLIGHT DECK JERSEY

Inherently Fire Retardant

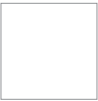

- 45% Modacrylic | 50% Pima Cotton | 5% Nylon
- 5.5 oz. per square yard
- Flame Resistant - ASTM D 6413
- Manufactured in compliance with NAWC PD -14-06.
- Collar Height on all sizes: 2"
- Cuff Length on all sizes: 3"

The fibers for the IFR Jersey are treated before they are woven, making the Jersey Inherently Fire Retardant. IFR maintains it's Fire Retardant characteristics for the life of the garment. Standard FR (Non-IFR) garments lose fire retardant protection after a few washes.
