Description

Lightweigh Tactical Plate Features:

- A lighter weight plate carrier with padded
- Adjustable shoulder straps designed with removable cummerbund that eliminates side plate pockets for more maneuverability and allows for wear with front and back plates.
- Carrier will accept front and rear plates 10"W x 12"H x .5" D.
- When cummerbund is worn without side plates, the empty pockets can carry your maps or other gear.
- Carrier and cummerbund have MOLLE webbing for attaching your pouches
