Description

Hayden Plate Carrier Features:

- Extra padded, adjustable shoulder straps for comfort.
- 2" wide Drag Handle
- Mesh Lining for keeping cool
- Designed to reduce overall weight and increase mobility
- Holds 10" x 12" plates front and rear
- Comes with removable hydration compatible pack
- Has additional 2 large compartments
- Top to bottom MOLLE webbing for added pouches and gear and lots of hook-n-loop for department or unit ID patches
- Works well with added protection when worn over Level III body armor for active shooter scenarios
