

Description

Features of The Grunt Tactical Goggles:

- Adopted by the Armed Forces as an integral part of their desert gear, these tactical goggles are serious eyewear for demanding environments.
- The one piece lens offers an unobstructed field of view while the wide adjustable headband offers comfort, even under a helmet.
- The lens is shatterproof, anti-fogging, UV coated.
- The lens color is the military-approved G-15, a grey tint that provides the wearer with true colors that appear natural.
- Goggle frames are reinforced zylon for durability.
- Choice of Black, Army Digital, or MARPAT (Green Digital) Frames.
