

**Description**

During WWII, the 'battle worn' look of a pilot's jacket was a visual reflection of his courage and bravery. Recreating this effect, the antique lambskin features purposely made surface irregularities and natural graining to recreate a weather-beaten appearance. With continued wear, the color of the leather will lighten and its texture will become richer, adding to the vintage characteristics of the jacket.

- Antique lambskin leather
- Silky lining with woven equipment label
- Snap down collar
- Front zipper under wind flap
- Two front flap snap pockets
- Side entry pockets
- An interior pocket
- Knit cuffs and waistband
- This is a regular fit jacket
