

Description

The sheepskin B-3 was first issued to bomber pilots in early WWII. To protect them from cold weather situations while flying high altitudes in open cockpits the B-3 quickly proved to be one of the military's favorite. Cockpit USA's Women's B3 Bomber Jacket is an accurate replication of this classic style used during the war, now tailored especially for women.

- Soft supple double-faced Shearling
- Leather welted seams
- Brass belted collar
- Waist straps for extra warmth
- Two front pockets
- This is a slim fit jacket
- Proudly made in the USA
