How to Order your Custom Coin:

Step 1: Decide on your artwork
What will your coin look like? Everyone in your unit might have given you ideas and now it’s your choice. You probably have a good idea what artwork you want, but maybe you need help on the wording or layout. We can help you design a coin with the look you want.

Step 2: Send us your artwork
If you have a specific logo for your unit or organization, just send your graphics or logos in a file format of .ai, .eps, .tif or .jpg with a resolution of 150 to 300 dpi. If you have any questions about the formats listed, please do not hesitate to email or call us. You can send us artwork on CD or if your artwork is under 2MB in size, you may attach it to email.

Step 3: Decide on the finish of the coin
Remember when picking the color of the coin, we have different finishes: Antique Gold, Antique Brass, Pewter (Antique Silver), Bright Polished Silver and Bright Polished Gold. You can have as many painted colors, baked enamel paint, on one or both sides of your coin at no extra charge.

Step 4: Pick your coin size: 1.5”, 1.75”, 2”
We know that every unit has a limited amount of money to purchase coins, but we have our coins priced to help your unit or organization. The average thickness is 3mm.

Step 5: Pick extras for your coin
- Clear Epoxy Dome Cover: covers the whole coin from rim to rim, or just the inside ring, or just your logo. There is no additional charge.
- Diamond Cut: you might want to add a diamond cut to the edge of your coin, one side or both. There is a $1.00 additional charge per side.

Price is dependent on the size and shape of the coin. All custom coins require a die, or set of dies for production. This is necessary for tooling. The dies are made by hand by craftsmen, and remain in-house, and as such, are guaranteed to remain available for your continued use. Your dies are cast for either a 2 or 3 dimensional look.

Dies are free of charge with a minimum purchase of 100 coins. All artwork is custom designed to your specifications and is based on the individual item requested. A proof fee of $35.00, including up to three (3) revisions, is charged; if an order is placed, this fee will be applied as a credit to your order.

The perfect medium of recognition for a squadron, unit, or corporate milestone or anniversary, individual effort, or civic achievement. The Supply Room Unit Coins are certain to mark the occasion with distinction.
