All materials submitted by the customer for use by the factory to produce items ordered will be considered by the factory to be in full compliance with all applicable laws in regards to trademark, service mark, copyright, patent, or similar protection, and the customer has all of the legal rights and authorizations to grant factory a limited license for the express purpose of reproducing such materials on the products. It is the customer's responsibility to provide appropriate legal lines to The Supply Room, Inc. for inclusion in the art.

NATURE OF CERAMICS AND GLASSWARE

Due to the inherent nature of ceramics and the properties of glassware produced by foreign and domestic manufacturers, there may be slight imperfections and irregularities which should not be perceived as defective. Variations in materials, firing temperatures, and color pigments may result in variations in glaze and imprint colors. Ounces, sizes and measurements are approximate and may vary from batch to batch, and within each batch. These variations are within industry standard and therefore must be considered acceptable.

GARMENT PRINTING

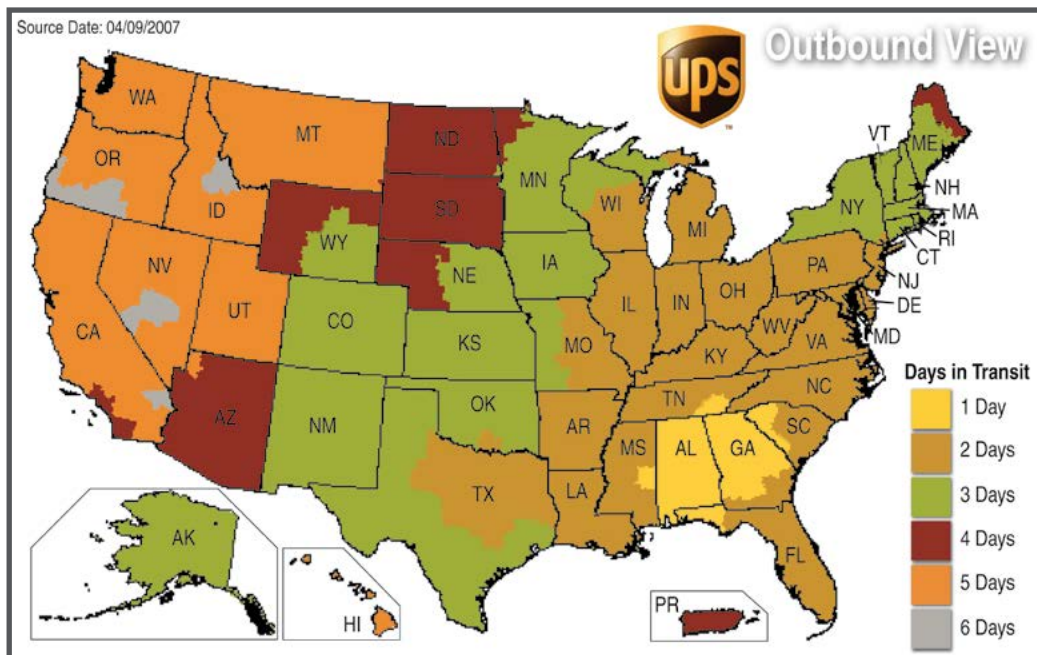

Our shirts are pre-treated for garment printing; this is a special process that will bind the white underbase to the fabric. It is recommended to wash shirts before wearing. To help prolong the life of the shirt, turn shirt inside-out and wash in cold water.

SUGGESTIONS

We value any suggestions, comments or criticisms you may have about our service, catalog or products.

CUSTOM PATCHES

Step 1: TIOH Drawing for School Patches

All JROTC/SROTC are to place orders with a TIOH drawing only. If you do not have a patch drawn, you must make a request with TIOH to have one made. To request a drawing for your school's patch, contact Karen Wilson at TIOH for more information. Phone: (703) 806-4971 or Email: karen.d.wilson.civ@mail.mil.

If for some reason you are unable to get in touch with Karen Wilson at TIOH, please contact us here at The Supply Room and we will request the drawing for you. Phone: (800) 458-5180 Email: info@supplyroom.com

Step 2: Patch Quote

Once the drawing has been acquired, this must be submitted to The Supply Room in order for a price quote to be given.

Step 2: Order and Production

Once quote is approved, an order will be placed and your patch will be submitted for production. (Since a drawing is required, a proof will not be required).
